

E-Journal ALL, EuroAmerican Journal of Applied Linguistics and Languages welcomes the submission of research and teaching-oriented papers for Issue 5(1), to be published in summer 2018. Researchers and practitioners are invited to submit their manuscripts by **January 15, 2018** in the following areas, as they apply to the teaching and learning of English, Italian, and Spanish as second, heritage, and foreign languages:

- **Applied Sociolinguistics**
- **Applied Pragmatics**
- **Discourse and Interaction in the Language Classroom**
- **Language Teaching Methods and Practices**
- **Applied Phonology and Phonetics**
- **Humor in the Language Classroom**

E-Journal ALL is a trilingual journal and welcomes articles in English, Italian, and Spanish.

Types of papers accepted:

- Full-length articles with substantive research findings or application of new methods and techniques for scientific linguistic analysis.
- Teaching-oriented papers about successful practices, informed by linguistic research, in any of the three languages represented by the journal.
- Technology, website, and book reviews in any of the disciplines of *E-Journal ALL*.

Submissions to *E-Journal ALL* are reviewed using double-blind peer review.

E-Journal ALL (ISSN 2376-905X) operates under the Creative Commons BY 4.0 license, which **grants authors the right to republish their work, provided that its original publication in E-Journal ALL is acknowledged**. Each published article will be assigned a permanent DOI number. To increase the distribution of papers and to contribute to cross-language referencing, *E-Journal ALL* **translates all abstracts and author bios into English, Italian, and Spanish**.
